Drafting I							
*College Courses are chosen in conjunction with Wayne Community College Advisors.							
*HS Students will choose college courses based on career or college plans. If student intends to transfer to a university, we recommend choosing Associate of Science pathway.							
*High school health/PE requirement may be met by completing HEA110 and a PED course at the college, or it may be satisfied at WSE							
*Optional HS Electives taught at WSE: Drafting II, Drafting III, Adobe Visual Design, Adobe Digital Design, Adobe Video Design, Statistics, and occasionally offered, Sociology
